

# Be You and the Australian Curriculum

By completing the Be You Professional Learning modules, and embedding your learnings into daily practice, you can support student learning in the following areas of the **Australian Curriculum**:

- **Personal and social capabilities:** self-awareness and self-management element
- **Intercultural understanding:** recognising culture and developing respect
- **Ethical understanding:** understanding ethical concepts and issues. Reasoning in decision-making and actions.
- **Critical and Creative thinking:** inquiring, exploring and organising information and ideas. Generating ideas, possibilities and actions. Reflecting on thinking and processes. Analysing, synthesising and evaluating reasoning and procedures
